HOW DO YOU EARN OPPORTUNITY CREDITS?

By doing the same things you’re already doing to build your business. We’re just rewarding you for it!
1. GROW YOUR TOTAL PLV DURING THE FIRST HALF OF THE YEAR (WEEKS 1–26)

Earn 25,000 Opportunity Credits for every 5,000 Sales Volume Points.

Example: My total Pay Line volume for the current half-year is 50,000 sales volume points (SVP). The total for the previous half-year was 10,000 SVP. Since I grew my total Pay Line volume by 40,000 SVP, I receive 200,000 Opportunity Credits

(40,000 Growth SVP/5,000 SVP = 8 [Multiple]
8 x 25,000 = 200,000 Opportunity Credits)

2. GROW YOUR TOTAL PLV DURING THE SECOND HALF OF THE YEAR (WEEKS 27–52)
3. ACQUIRE NEW CUSTOMERS AND MEMBERS

Earn 1 Opportunity Credit for every volume point of product sold to personally sponsored customers and members within their first four weeks.

Example: Sponsor a new customer who purchases 500 points of product, and receive 500 Opportunity Credits. Sponsor a new member who purchases 1,500 points of product, and earn 1,500 Opportunity Credits.
4. ACHIEVE A BUSINESS LEVEL

Earn Opportunity Credits for achieving one of the following business levels in your first four weeks:

<table>
<thead>
<tr>
<th>Level</th>
<th>Opportunity Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>Business</td>
<td>500 Opportunity Credits</td>
</tr>
<tr>
<td>Elite</td>
<td>1,500 Opportunity Credits</td>
</tr>
<tr>
<td>Ultimate</td>
<td>3,000 Opportunity Credits</td>
</tr>
</tbody>
</table>
5. ADO LOYALTY
(ORDER PRODUCTS EACH CYCLE)

Earn 1 Opportunity Credit for every volume point of product personally purchased beyond initial qualification. Earn more by purchasing each cycle.

Example: Starting with my second cycle, I purchase 100 points of product, earning 100 Opportunity Credits. The next cycle I purchase another 100 points of product, earning $100 \times 2 = 200$ Opportunity Credits. I continue to purchase up to my sixth cycle, and my 100 points of product earns 600 Opportunity Credits.
6. DUPLICATE — THE POWER OF FOUR

Earn 2,000 Opportunity Credits for personally sponsoring four new members or customers who purchase 2X the minimum sales threshold within your first eight weeks as a new member.

Example: Within my first eight weeks, I personally sponsor two new members who each purchase 1,500 points of product, and two new customers who each purchase 150 points of product, earning me 2,000 Opportunity Credits.
7. ADVANCE YOUR TITLE

Earn 1 Opportunity Credit for every Pay Line Volume point required to advance to a new title.

Example: Achieve the title of President by generating 20,000 total Pay Line Volume points, and earn 20,000 Opportunity Credits.
8. EARN AT YOUR TITLE

Earn Opportunity Credits each time you generate the minimum Pay Line sales volume associated with your new title. You’ll receive Opportunity Credits equal to 25% of the total Pay Line volume points required to achieve the title.

Example: Advance to Senior Officer by generating 13,334 points on your Pay Line(s). Four weeks later, maintain 13,334 points on your Pay Line(s), thus earning 25% of those points (13,334 X 25% = 3,334) in Opportunity Credits. If you maintain this an additional six times throughout the year, you will have earned 20,000 Opportunity Credits (6 x 3,334) that year.
9. ATTEND CORPORATE EVENTS

Earn 10 Opportunity Credits for every “dollar” (USD equivalent) you spend on corporate event tickets. This applies to tickets you purchase for team members as well.
10. B.O.S. TRAINING

Earn Opportunity Credits for accomplishing sections of the online B.O.S. training system. Each section offers a different amount of Opportunity Credits.
11. POWER RANK

Top Power Ranking Representatives receive an additional 100,000 Opportunity Credits at the end of each year.

12. FOUNDERS CLUB

Founders Club Members receive an additional 125,000 Opportunity Credits (250,000 for couples or co-applicants) each year they attend a recognition trip available through the AOR program.
GET TO KNOW YOUR EARNING HISTORY

Your Earning History Dashboard will display all the ways you can earn OCs. If time runs out for a particular way to earn, it will disappear from your dashboard. Don’t worry — if you earned the credits in that category, they will remain in your total.

Example:
• The Power of Four will disappear after your first eight weeks as a new member.
• Achieve a Business Level will disappear after your first four weeks.
• ADO Loyalty will disappear after you’ve gone through six business cycles.
