

## BODY SILK HYDRATING SERUM

**NUCERITY PURE BODY SILK HYDRATING SERUM** is a super-conditioning formula that feels great the minute you put it on and dries to a smooth, silky finish. Body Silk utilizes a unique combination of oils and nutrients to hydrate your skin. This light barrier helps to protect against harsh environmental conditions throughout the day and relieves dry and sensitive skin from head to toe. Body Silk is truly a spa treatment in a bottle.

This unique combination of oils and nutrients not only hydrates the skin, but is also perfect for adding shine and moisture to your hair, wet or dry. A botanically enriched, heat-protected serum, Body Silk protects hair against breakage and dryness when using styling tools and heating elements.

### NUTRIENTS AND OILS COMBINED TO HYDRATE YOUR SKIN

**ACAI FRUIT OIL** — an excellent source of essential fatty acids including Omega-6 and Omega-9 that deeply hydrate skin and hair.

**ARGAN OIL** — a nourishing oil that provides extreme conditioning properties, great for hair, nails and skin.

**VITAMINS A, D3 & E** — powerful nutrients that help to soothe dry skin.

**ALOE VERA** — an all-natural plant extract that helps facilitate natural exfoliation and soothes dry skin.

**CHAMOMILE** — an herbal extract well known for its soothing effects on damaged and tired skin, Chamomile and restores skin's natural softness, smoothness and radiance.

### INSTRUCTIONS FOR USE

**SKIN TREATMENT** — apply after bath while the skin is still moist for maximum hydration, or on dry skin anytime throughout the day.

**HAIR TREATMENT** — pump a small amount into the palm of your hand. Rub hands together to warm the serum. Apply to the ends of damp hair and lightly run fingers through your hair before blow drying and styling, for a silky finish, extra shine, and protection from heat-styling tools. Use on dry hair to calm frizz and flyaways.
